dt 29th May 1943

Requests sanction as resolved by the Shirallkoppa Minor Mpl Council to entrust the work of Mohar Sarpa Lokah & the Encapsulation to the Mal clerk on payment of a Commission of 5%

The Mal clerk is reported to have taken charge of the work from 15th January 1943 the rate of Commission approved by the Mal-cl is Rs 5% upon the Collections

2 The Ex Shanbhogue was here given a pay of Rs 11 as stated in the DCs letter. Compared the amount he would have got for 2½ months to the end of March 1943 with the amount the Mal clerk earned during the period the Commission the difference is very much.

Mal clerk 105 00 — Shanbhogue 27½ = 78

The Commission of 5% appears to be too high The Encapsulation Shanbhogues are generally given a Commission of 3% - In the present case as the arrears are said to be too heavy, a Commission of 4% appears to be sufficient
(4) After the arrears are

reduced and brought to
normal, this rate of 4% may
be brought down 3%.

Subject - Entructing the Municipal Mohatarfa collections to the Municipal Clerk- Shiralkoppa Municipality- paymrnt of commission at 5% to the Municipal Clerk

In forwarding herewith in original report No 147/42-43 dated 23rd April 43 received from the President Shiralkoppa Minor Municipality on the subject noted above I have the honour to state as follows -

The Municipal president states that the Shanbhog of the Municipalit who was looking fater the mohatarfa collection work, resigned his office as such on the ground that his pay of p 11/- p m was too low He adds that the work of the shanbhog was quite unsatisfactory and that the latter did not take interest in his work and that he the Municipal president therefore entrusted the collection work to the Municipal Clerk along with his legitimate duties on commission basis He is reported to be attending to this work outside office hours

The Municipal Council considered this aspect of the question at its meeting held on 28-1-1943 when a resolution was passed to the effect that the collection work might be entrusted to the clerk and that he might be paid commission at 5% (vide resolution copy enclosed for kind perusal)

The Municipal president states that a competent person with the experiance of collection work and also of maintaining accounts is required for reducing the arrears to a minimum He adds that after

the

the collection work is entrusted to the present Municipal Clerk with effect from 15th January 43 there has been considerable improvement in this direction and that he has collected Rs 2168/- up to end of March 43 as against the total demand of Rs 5 662/- He adds that by deputation of the clerk to attend to the collection work the normal work of this office will not suffer As mohatarfa happens to be the most important item of Revenue to the Municipality he requests that the present proposal of the Municipal Council might be recommended to Government for sanction

I have looked into the matter at the time of my inspection of the Municipal office held on 11th April 43 I agree with the views of the Municipal President in entrusting the municipal collections to the clerk of the office as a very special case

In these circumstances I request that sanction of Government may kindly be obtained to the proposal of the Municipal Council Shiralkoppa for entrusting the Mohataria collection work to the Municipal clerk of the office on payment of a commission at 5% as a special case in addition to his legitimate duties, Kind sanction is requested to ratify the action of the Municipal President in having entrusted the collection work to the present clerk of the Municipality with effect from 15th January 1943 on commission at 5% The expenditure on this account for the current year will be met from the closing balance of Rs 11 480/- which was at the credit of the Municipality on 1st April 43 ~~one~~ due provision being made therefor in the Budget Estimates for subsequent years
